

This is to certify that **Kumhar Parash Kumari** has successfully completed the S2Tech Jignasa Internship, Summer 2022.

This was a life changing program that allowed university students in India to work with student mentors from the US in improving core skills that will benefit them in the workplace.

Throughout this program, this student has attended daily informational meetings, completed mandatory pieces of training, and participated in the Toastmasters program once a week. This student has demonstrated improvement in the following categories:

- English Speaking
- Informational Writing
- Public Speaking
- Youtube Editing
- Cross Cultural Analysis
- Peer/Mentor/Interpersonal Communications

Students were also required to complete a plethora of training that targeted different prongs of workplace success. Trainings included:

- Stephen Covey's Seven Habits of Highly Effective People
- Sadhguru's Isha Inner Engineering Program
- Sexual Harrassment Training
- Cross Cultural Differences

Success was determined based upon participation in classes, Toastmasters and other meetings, completion of daily homework tasks which included writing prompts, grammar exercises, research collecting, reading comprehension, and individual enrichment activities. At the end of the program, students were assigned a multi-pronged final project in which they were prompted to write an informational, biographical article on a prominent person of their choice, paired with an educational youtube video on the same topic.

We congratulate **Kumhar Parash Kumari** for successful completion of this program and wish them the very best on their future endeavors.
